* Strategy inception 06/04/2012. From inception until March 2020, the performance track record represents returns generated by Crow Point Partners. From April 2020 until the present, the track record represents the investment team's performance at Timber Point Capital Management.

Returns greater than one year are annualized. Performance data quoted represents past performance, which is no guarantee of future results. Current performance may be higher or lower than the performance quoted. An investor may obtain performance data for the most recent month-end by calling 877-244-6235.

The principal value and return of an investment will fluctuate so that shares, when redeemed, may be worth more or less than their original cost.

**Morningstar® Multi-Alternative Category from inception to Dec 2020; Morningstar® Multi-Strategy Category from Jan 2021 to current. The Morningstar® Multi-Strategy Category is comprised of funds which typically have a majority of their assets exposed to alternative strategies as well as those that tactically adjust their exposure to different alternative strategies and asset classes.

ROLE IN AN INVESTOR'S PORTFOLIO

Complement to Traditional Asset Classes

Seeks superior risk-adjusted returns by tactically allocating capital across a wide variety of global asset classes while providing diversification benefits to a traditional portfolio.

Core Alternatives Position

Tactical allocation serves as an active completion strategy within a broader portfolio. Additionally acts as an access point to unique and non-traditional investment ideas and themes

Provide Macro Risk Overlay

Utilize the resources of the firm's macro asset allocation team to further hedge and mitigate meaningful drawdown risk.

¹ This number represents the combined total fees and operating expenses of the underlying funds (e.g., investment companies and other pooled investment vehicles) owned by the Fund and is not a direct expense incurred by the Fund or deducted from the Fund's assets. Since the number does not represent a direct operating expense of the Fund, the operating expenses set forth in the Fund's financial highlights do not include this figure.

² Total Annual Fund Operating Expenses do not correlate to the ratio of expenses to average net assets provided in the Financial Highlights. The information in the Financial Highlights reflects the operating expenses of the Fund and does not include Acquired Fund Fees and Expenses or the Expense Limitation Agreement described below. Acquired Fund Fees and Expenses are the fees and expenses incurred indirectly by the Fund as a result of its investments in investment companies and other pooled investment vehicles.

³ Pursuant to an operating expense limitation agreement between Timber Point Capital Management LLC ("Timber Point" or, the "Adviser" and the Fund, the Adviser has agreed to waive or reduce its fees and to assume other expenses of the Fund, if necessary, in an amount that limits "Total Annual Fund Operating Expenses" (exclusive of interest, expenses incurred under a plan of distribution adopted pursuant to Rule 12b-1 under the 1940 Act, taxes, acquired fund fees and expenses, brokerage commissions, dividend expenses on short sales and other expenditures which are capitalized in accordance with generally accepted accounting principles and other extraordinary expenses not incurred in the ordinary course of such Fund's business) to not more than 1.60% of the average daily net assets of each share class of the Fund through January 31, 2022. This operating expense limitation agreement can be terminated only by, or with the consent of, the Board of Trustees. Each waiver or reimbursement of an expense by the Adviser is subject to repayment by the Fund within three years from the date of the waiver or reimbursement, provided that the Fund is able to make the repayment without exceeding the expense limitation in place at the time of the waiver or reimbursement and at the time of recoupment.
